THE GROWTH GUIDE

Our favorite season has arrived, and we are feeling positive and cheerful as never before. We strongly believe that there isn't a better time for new beginnings than now.

The flower of tomorrow is the seed of today, and that's why we pride ourselves in the expansion of our basics and thermoform line-up and the introduction of our new Spring Trend Guide for 2024. From basic grower pots and trays to whiskey barrels and premium planters, we've got you covered, and we are here for you to make sure your future programs are a success.

This Spring, CTI Living also celebrates its 20th year anniversary and words can't express how excited and grateful we are with all of you for your continuous trust and support. Thank you for being part of the CTI Family and for your loyal partnership throughout these two flourishing decades.

Let's Keep Blooming Together: Welcome to Spring 2024!

Here's an estimated timeline to place your order smoothly with us:

Pricing Quotations:

Please note that due to the current market conditions and supply chain disruptions, freight and manufacturing surcharges may be applied as a separate fee on your invoice.

To ensure CTI Living gives you our best pricing options, it will require 48 hours to 5 business days to confirm pricing (depending on how many items are on quote). Full container and less than container pricing will be given to you. We price our products FOB port. Someone from our Sales team will be in contact with you to confirm your quote.

Order placement:

Order placed: June - July 2023

Expected delivery date to greenhouse: September - October 2023

**A more specific delivery date window will be given at time of order submission.*

Order placed: August - December 2023

Expected delivery date to greenhouse: November 2023 - April 2024

**A more specific delivery date window will be given at time of order submission.*

Tracking Orders: CTI's Online Portal

Every grower has been assigned a unique login to CTI's online portal. If you are new to us, a login credential will be assigned. You'll have the visibility to see the following on the portal:

- Viewing and tracking your order arrival date
- Your container number and vessel shipping company
- Your packing slips
- Estimated surcharges (Ocean + Land) *

** Please note, only available at time of loaded on a shipping vessel. Automatic notifications will be sent to the primary email contact if any changes to delivery dates happen during production or transit of product.*

Delivery of Product:

Trucking companies will contact growers 24 hours before delivery.

Invoicing, Billing and Terms

- CTI Living's payment terms are Net 30 days
- Payment can be received via ACH, Wire Transfer, Cheque or Credit Card
- You will receive your invoice within 15 business days after the order is delivered to the customer
